

February 18, 2020

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for January 2020. Sixteen sites were closed out during the month. All of these sites were harvested in compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

BMPs were properly applied by those responsible on all sixteen sites this month and did not require any recommendations from a BMP Forester during the operation to assist with compliance.

In addition, BMP Foresters completed 50 monitoring site evaluations. All monitoring site visits should be completed in the next few weeks.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at [hwelch@scfc.gov](mailto:hwelch@scfc.gov). Thank you for your interest in our BMP program.

Sincerely,
