

April 7, 2020

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for February 2020. Four sites were closed out during the month. All of these sites were harvested in compliance with applicable BMPs and no water quality impacts resulted from these forest operations. In addition, BMP Foresters completed 63 monitoring site evaluations.

Of the four sites reported in February, BMPs were properly applied by those responsible on three sites and BMP Foresters provided recommendations during the operation to assist with compliance on one sites.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,
