Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for April 2020. One site was closed out during the month. BMPs were properly applied by those responsible on this site and no water quality impacts resulted from the forest operation.

Our BMP Foresters continue to work in the field on a limited basis and are available to support your operations as needed. If you need assistance, please do not hesitate to reach out to us.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at [hwelch@scfc.gov](mailto:hwelch@scfc.gov). Thank you for your interest in our BMP program.

Sincerely,

A handwritten signature in black ink that reads "Holly Welch".
