Henry E. (Gene) Kodama, State Forester

June 12, 2013

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Log for May 2013. Twenty-three sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

For the sites reported this month BMPs were properly applied by those responsible on eighteen sites, BMP Foresters provided recommendations to assist with compliance on three sites, and remedial action was required on two sites to achieve compliance.

I am pleased to welcome Pee Dee BMP Forester Tonya Smith back to work following her maternity leave. She can be reached at (843) 382-6955 for any BMP needs for all points north and east of Georgetown, Sumter, and Lancaster counties.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at gsabin@forestry.state.sc.us. Thank you for your interest in our BMP program.

Sincerely,

A handwritten signature in blue ink that reads "Guy R. Sabin".
