

June 12, 2019

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for May 2019. Eighteen sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

Of the eighteen sites reported this month, BMPs were properly applied by those responsible on fifteen sites, BMP Foresters provided recommendations during the operation to assist with compliance on two sites and a one site required a return visit by the operator to bring the site into compliance.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803) 667-0867 or by email at hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,
