

July 13, 2020

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for June 2020. Fifteen sites were closed out during the month. All of these sites were in compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

BMPs were properly applied by those responsible on fourteen sites and did not require any recommendations from a BMP Forester during the operation to assist with compliance. A BMP Forester noted deficiencies and requested additional action to achieve compliance on one site.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,
