Henry E. (Gene) Kodama, State Forester

August 8, 2014

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Log for July 2014. Thirty-one sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

For the sites reported this month BMPs were properly applied by those responsible on twenty-five sites, BMP Foresters provided recommendations during the operation to assist with compliance on four sites, BMP Foresters noted deficiencies and requested additional action on site to achieve compliance on one site, and one site required remedial action or a return visit by the operator to bring the site into compliance.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at hnicholson@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,

Herb Nicholson
Environmental Program Manager
