

September 9, 2019

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for August 2019. Thirteen sites were closed out during the month. All of these sites were harvested in compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

Of the thirteen sites reported this month, BMPs were properly applied by those responsible on ten sites, BMP Foresters provided recommendations during the operation to assist with compliance on two sites and one site required a return visit by the operator to bring the site into compliance.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,
