Henry E. (Gene) Kodama, State Forester

October 10, 2011

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Log for September 2011. Twenty-eight sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs, and no water quality impacts resulted from these forest operations.

BMPs were properly applied by those responsible on nineteen sites reported this month. On the remaining exams BMP Foresters provided recommendations to assist with compliance on eight sites, and requested additional action to achieve compliance on one site.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at gsabin@forestry.state.sc.us. Thank you for your interest in our BMP program.

Sincerely,

A handwritten signature in blue ink that reads "Guy R. Sabin".
