

October 10, 2019

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for September 2019. Sixteen sites were closed out during the month. All of these sites were harvested in compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

Of the sixteen sites reported this month, BMPs were properly applied by those responsible on fifteen sites and BMP Foresters provided recommendations during the operation to assist with compliance on one site.

I am pleased to announce that Andrew Williams will be our new Coastal BMP Forester beginning October 17th. Andrew has spent the last five years working as a Forester with F&W Forestry and American Forest Management and will be a great addition to our BMP team. He will be working out of the Hampton office and can be reached at (843)909-2654 or awilliams@scfc.gov.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,

A handwritten signature in black ink that reads "Holly Welch".
