

October 7, 2020

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for September 2020. Twenty five sites were closed out during the month. All of these sites were in compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

BMPs were properly applied by those responsible, without any recommendations from a BMP Forester, on nineteen sites. A BMP Forester provided recommendations during the operation to assist with compliance on three sites, and three sites required a return visit by the operator to complete remedial work in order to bring site into compliance.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,
