Henry E. (Gene) Kodama, State Forester

December 13, 2010

Dear Sir or Madam,

Attached is the Courtesy Exam Log for November 2010. Twenty-eight sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs, and no water quality impacts resulted from these forest operations.

On the courtesy exams completed this month BMP Foresters provided recommendations to assist with compliance on six sites and requested additional action to achieve compliance on one site. BMPs were properly applied by those responsible on twenty-one sites reported this month.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at gsabin@forestry.state.sc.us. Thank you for your interest in our BMP program.

Sincerely,
