Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for November 2019. Ten sites were closed out during the month. All of these sites were harvested in compliance with applicable BMPs and no water quality impacts resulted from these forest operations.

Of the ten sites reported this month, BMPs were properly applied by those responsible on eight sites, BMP Foresters provided recommendations during the operation to assist with compliance on one site, and on one site the BMP Forester noted deficiencies and requested additional action to achieve compliance.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached by phone at (803)667-0815 or by email at hwelch@scfc.gov and the BMP Forester's contact information is listed below. Thank you for your interest in our BMP program.

Sincerely,

A handwritten signature in black ink that reads "Holly Welch".
