Blaze	Trail Name	Distance	Difficulty Level
	Firebreak <i>The Firebreak Trail is Harbison's core access trail and interconnects to the entire trail system. Multiple use</i>	4.4 Miles	Moderate
	Midlands Mountain <i>Midlands Mountain Trail climbs up a small ridge before descending to the river bottom. A more difficult route bypasses the river bottom for more of a challenge. Multiple use</i>	3.4 Miles	Moderately difficult
	Stewardship <i>Along the Stewardship Trail you will find evidence of past land uses and examples of current sivicultural practices. Multiple use</i>	3.4 Miles	Moderately difficult
	Spider Woman II <i>Spider Woman II is a narrow single-track mountain biking trail featuring short steep climbs, small drops and a natural rock garden. Multiple use</i>	2.2 Miles	Difficult
	Eagle Trail <i>Eagle Trail is a short hiking trail that features trees labeled with their common and scientific names. Hiking only</i>	0.8 Mile	Easy
	Lost Creek <i>Lost Creek is a single-track mountain biking trail. Caution must be used when crossing Lost Creek Drive to access this trail. Multiple use</i>	6 Miles	Difficult
	Learning <i>The Learning Trail is a short trail around the Education Center. There are 4 outdoor classrooms along its length. Hiking only</i>	0.7 Miles	Easy
	Crooked Pine <i>The Crooked Pine Trail connects the Education Center with the Midlands Mtn. Trail. A short connector trail links this trail to the Firebreak Trail. Multiple use</i>	1 Mile	Moderate
	Discovery <i>The Discovery Trail connects the Educational Center with the Gazebo. Hiking only</i>	0.5 Miles	Easy

How long will it take to hike one of Harbison State Forest's trails? Allow 30 minutes per mile at a casual walking pace.
