Sale Requirements: A pre-logging conference must be scheduled between the State Forest Assistant Director, the buyer and a representative of the logger.

The successful bidder must comply with the SC Illegal Immigration Reform Act, 2008. This is done by signing a form as part of the contract. Loggers must be able to provide proof of COMMERCIAL GENERAL LIABILITY insurance for the amount of ONE MILLION DOLLARS (\$1,000,000) with the SCFC named as co-insured and proof of workers compensation insurance is necessary before a contract can be signed. Contractors shall follow OSHA safety regulations and shall comply with all federal, state, and local laws as well as EPA Worker Protection Standards and Migrant and Seasonal Workers Protection Act, if applicable.

Best Management Practices: All work must also adhere to the SCFC BMP standards (see SCFC BMP Manual). A mandatory courtesy BMP exam from the SCFC BMP Forester is required on this site. At least one responsible person on the logging crew must be a graduate of the South Carolina Timber Operations Professional Program, or equivalent program such as NC Pro Logger or GA Master Timber Harvester.

It will also be the buyers / loggers responsibility to obtain all necessary state and local permits and permission from DOT and any other pertinent entities prior to utilizing any state or local highway / road (or any other) shoulder / right of way associated with this tract. The buyer will also be responsible for performing all road work necessary to insure safe operation of 18 wheel logging trucks.
